Condition:	Used	Number:	3198257
Location:	Morro Bay, CA, USA		

TRAMUNTANA

Tramuntana is a lovely full keel blue water sloop ready for the most ambitious sail. She has been extensively up graded with no expense spared including removing the iron and cement ballast from her keel and replacing it with resin encapsulated lead! lowering the center of gravity. Reinforcing the custom bow sprit with whisker stays and extending it to reduce weather helm, reinforcing the boomkin with custom chainplates, new wire stays and hayne compression fittings, custom interior modifications to the head, forward cabin and salon make her far more comfortable than any roughwater you have ever seen. All with the blessings of the Gillmer design team! ask to see the four page pdf document for more details. PRICE JUST REDUCED (10/01/10)
